RGA: A Global Leader

Reinsurance Group of America, Incorporated® (NYSE: RGA) is a FORTUNE 500 company with approximately \$3.3 trillion of life reinsurance in force and assets of \$60.5 billion as of December 31, 2017. RGA is one of the largest life reinsurers in the world.

From our beginnings in 1973 through more than 40 years of steady global expansion, RGA has grown to become one of the world's largest and most highly respected reinsurers, recognized for our superior risk management and innovative solutions. RGA reinsures one of the largest in-force blocks in the life insurance industry, and has built an extensive database of mortality information. This knowledge forms the basis for RGA's continued leadership in competitive pricing of risk.

At RGA, our teams of actuarial, underwriting, and claims professionals draw upon historical data and experience to develop expert solutions tailored to meet our clients' needs. We understand and value the power of fresh thinking and innovative ideas. We listen to our clients, and share our expertise to benefit them in multiple ways:

- Superior understanding of mortality and morbidity risks, built on RGA's extensive database
- World-class facultative underwriting, specializing in large cases and substandard risks, enabling insurers to write more policies
- Shared medical underwriting knowledge, developed from leading-edge research and experience
- Expert claims handling to reduce costs
- Innovative product development to support business growth
- Competitive pricing to transfer mortality, morbidity, and longevity risk and reduce capital requirements
- Benchmarking studies and seminars that build and leverage market intelligence
- Capital-motivated reinsurance to help insurers meet financial objectives and manage capital more efficiently
- E-underwriting and e-commerce solutions that streamline processes and enable reliable, rapid decisions
- Training programs and seminars that provide clients with access to RGA's global team of industry experts
